Maybe even better than free.

Keep your files private, or send your download links only to friends or family. You can give this download link to your friends by mail or instant messenger. Files can be downloaded from any computer from our high speed servers. Any file in any format can be uploaded and downloaded for free. You decide whoyou want to share your files with. It is also allowed to link to the download page from websites and communities. If only we could, we surely would! On theother hand, using file can actually save you money. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chatapps have limits to the size of files that can be transferred within their apps. There are no restrictions on the number of times a file can be downloaded. Justupload the file you want to share with your friends and we send you a download link to your file. filehosting provides an easy possibility for you to send largefiles to your friends. Our service is completely free for everyone. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Filestransferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. You don't need any special softwareinstalled to be able to download your files. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is beingtransferred between your computer or phone and our servers, then from our servers to your friends device. Alternatively you can choose to share your downloadlinks on blogs, forums and social networking sites. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. The cost ofthat data transfer is covered by your internet service or the data plan on your phone. Simply upload your file and share the link. Unfortunately, we can't makethat part free. You can upload any type of file (movies, music, documents, images, zip files and more). So try our free and simple filehosting service now. Wehave no file size limit. File is free to use with no gotchas and no hidden fees. Using file, you can circumvent those limits without paying to upgrade your teamchat service. No account or credit card is required to get started.
