Maybe even better than free.

File is free to use with no gotchas and no hidden fees. You can upload any type of file (movies, music, documents, images, zip files and more). Why paystorage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferredwithin their apps. Unfortunately, we can't make that part free. Any file in any format can be uploaded and downloaded for free. Just upload the file you want toshare with your friends and we send you a download link to your file. There are no restrictions on the number of times a file can be downloaded. You don't needany special software installed to be able to download your files. filehosting provides an easy possibility for you to send large files to your friends. Your walletwill be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers,then from our servers to your friends device. No account or credit card is required to get started. This is easy, fast and reliable filehosting! You don't need anykind of premium-accounts. You decide who you want to share your files with. When you use file, you avoid storing the file you're sending in your cloudstorage or mail server. If only we could, we surely would! On the other hand, using file can actually save you money. Files transferred the old-fashioned waytend to pile up and be forgotten about, eventually costing you money in data storage fees. Simply upload your file and share the link. The cost of that datatransfer is covered by your internet service or the data plan on your phone. We have no file size limit. Alternatively you can choose to share your downloadlinks on blogs, forums and social networking sites. Files can be downloaded from any computer from our high speed servers. Using file, you can circumventthose limits without paying to upgrade your team chat service. Keep your files private, or send your download links only to friends or family. You can give thisdownload link to your friends by mail or instant messenger. It is also allowed to link to the download page from websites and communities. So try our free andsimple filehosting service now.

Our service is completely free for everyone.
