His death of him would be two years later, when he lost a buried match against humanity. Due to the position of the position, Undertaker was thrown into a wire and buried alive with dirt. He returned soon after and competed against humanity in hell in a cell, famous for humanity being thrown at the top of the cell. Later, he was killed sometimes by his sister, Kane first, he was set on fire after being locked in a box. This happened in a match between Undertaker and Shawn Michaels for the WWF Championship. At the next time it was an buried match between The Undertaker and Vince McMahon. Kane interfered, causing a crane to explode and blind the dead. He threw his sister into the wire and covered him on the ground. Kane also won her sister in a match buried in 2010. With the help of Nexus, Kane kept her world heavyweight championship, and murdered her sister for the third time. What then to Undertaker Undertaker had a quiet life since retired from the wrestling in 2020. He appeared on the WWE Occasional Program, as Cron sessions Broken. Undertaker launched his own pre -rite of wines, with WWE. He retired official at Survivor Series 2020 and works on Twitter and Instagram from entrance, promoting products. He also sold his services on platforms like Cameo. Cameo.
