Is there a free version of this somewhere? This guide has been super helpful for me as a Warlock, but I can't justify paying 30 bucks for it. The guide will take you across the best alliance quests in the most efficient way (Broken up into zones), which will allow you to level up quickly. Now with progress tracking thanks to Jack Ryan Cartographer will allow you to follow the coordinates used throughout this guide. - Joana's Classic WoW (SoM/FBC/WotLK) Horde & Alliance Speed Leveling Guides - Part 2 of 3 This is the second part of the Horde leveling, at this point you have to be level 25. I know this guide is not as great as the, but this guide here can help a lot with the quests you can get and do as horde. Horde Leveling 25-40>Your next zone will be Thousand Needles which is directly south of the barrens. You will stay here for approximately level 35, so be sure to be read to stay in the zone for a while.
